To Whom It May Concern:

RE: TREMprime VB Plus—Green Building Product Information (LEED v4.1 Information)

Tremco CPG is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco CPG certifies the following for TREMprime VB Plus:

Building Product Disclosure and Optimization:

TREMprime VB Plus is manufactured in Batavia, Ohio.

No single extracted material is used to produce the majority of this product.

Recycled content for TREMprime VB Plus is not available, and for the purposes of LEED reporting should be assumed to be zero.

Low Emitting Materials - VOC Content Information:

TREMprime VB Plus is an industrial floor coating with a VOC content of 22g/L equaling 2.06% as applied/mixed. As such, VOC levels are lower than the limits set by SCAQMD rule 1113.

Green Chemistry:

Tremco CPG is dedicated to the environment and prides itself on making its products as sustainable as possible.

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

Kristi Brown
Associate Program Manager
Compliance and Regulatory Affairs
