To Whom It May Concern:

RE: PU1000—Green Building Product Information (LEED v4.1 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for PU1000:

**Building Product Disclosure and Optimization:**

PU1000 is manufactured in Arkel, the Netherlands.

No single extracted material is used to produce the majority of this product.

Recycled content for PU1000 is not available, and for the purposes of LEED reporting should be assumed to be zero.

**Low Emitting Materials - VOC Content Information:**

PU1000 is a foam sealant with a VOC content of <1g/L equaling 153% as applied/mixed. As such, VOC levels are lower than the limits set by SCAQMD rule 1168.

**Green Chemistry:**

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible.

**Additional Information:**

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Kravetz', written over a white background.
